Members of the Greater Manchester Cricket League

Established in 1868, Thornham Cricket Club is a thriving village sporting facility set in idyllic surroundings at the foot of Tandle Hill Country Park. Formerly known as Thornham Church Institute Cricket Club, the club has evolved over its many decades in action to what is now a multifunctional, recreational community asset. It's home to three senior teams, a junior team and a T20 team, playing matches throughout the months of April to September alongside a year-round social calendar which sees families from Middleton, Castleton, Rochdale and further afield congregate together for functions and activities.

With no fewer than 45 league, championship and cup titles to its name, Thornham Cricket Club regularly reinvests in its on and off field playing and practice facilities to provide the best possible experience for those who join its ranks.

All our facilities are available for hire, including its expansive clubhouse and catering facilities which were recently refurbished. Involved in local conservation missions as well as various other charitable initiatives, the club is dedicated to protecting and maintaining its local eco system, ensuring that cricket remains an ongoing benefit to those living and working nearby, just as it has done since 1868.
